GUARANTEE TRUST LIFE ADDS FOUR NEW FINAL EXPENSE PRODUCTS TO GTL'S LIFE'S CHOICE PORTFOLIO

CHICAGO – Guarantee Trust Life Insurance Company announces the addition of GTL's Life's Choice Limited Pay plans, four new Final Expense products available under the Life's Choice portfolio as Single, 3-Pay, 5-Pay and 10-Pay plans.

"These new limited pay products are a great addition to the Life's Choice portfolio because they offer consumers an alternative payment method to choose from when selecting a Final Expense plan," said Jim Morsovillo, National Sales Manager, Final Expense. "GTL's Life's Choice Limited Pay plans are perfect for those who are interested in purchasing a plan, but don't want to be paying their premiums forever."

Premiums for GTL's Life's Choice Limited Pay plans are payable for a specified 1-, 3-, 5- or 10-years, after which the insured never has to make another premium payment on the policy. The plan also features an immediate death benefit and issue ages 6 months to 85 years with \$3,000 to \$50,000 face amounts. GTL's Life's Choice products offers Living Benefits, which allows the insured to receive a percentage of the death benefit in the event of a terminal illness or permanent nursing home confinement. This benefit, available in most states, is added to the coverage at no extra cost.

"More seniors today want to pay their premiums and be done with them," said Morsovillo. "This product gives consumers the flexibility to choose the payment plan that suits their needs, with the same coverage offered by GTL's Life's Choice plans."
